Date: 01.06.2010

NOTICE

To,
The Units as per list enclosed

Sub: Non achievement of Special Milestone

This has reference to the decisions of SLC(LT) meeting for Power held on 08.04.2010 and further directives received from CIL vide letter No. CIL/CMO/47252(New Pol)/283 dated 19.05.2010 and No. CIL/CMO/47252(New Pol)/289 dated 20.05.2010 on the above subject.

Appended herewith is a list of Projects pertaining to SECL granted LOA in the SLC(LT) meeting of 02.08.2007 in respect of which entire project is recommended as 11th Plan Project by SLC(LT) meeting of 12.11.2008 and therefore the special milestones are also applicable.

The relevant extracts of the SLC(LT) decision in the meeting held on 08.04.2010 regarding such cases are reproduced below:

1. **Page No. 16 of the Minutes:**

"The Committee was informed that these projects were required to achieve special milestones as per decision of SLC(LT) of 12.11.2008. The committee was informed that in respect of S.No. 4 and 5, the milestones were submitted and found acceptable, whereas in respect of balance 8 cases, either milestones were not submitted or the milestones submitted were found deficient. After discussions, the Committee recommended that a notice may be issued by the concerned coal company/CIL within ten days of issue of the minutes seeking response/documentary evidence as to whether the project had met the terms and conditions of LoA within its validity. The developer may be given 10 days time to respond failing which CIL may indicate their comments exparte....."

2. **Page No. 23 of the Minutes:**

"The Committee also noted that in Annexure D-4, there are cases in respect of which the entire project has been recommended as 11th Plan project and, therefore, the special milestones would also be applicable in such cases. The Committee noted that since these projects also appear in Annexure D-3, on which the recommendations were already made by the Committee, no separate decision may be required on this Annexure and, therefore, the decision already taken by the Committee in respect of concerned project would, ipso facto, be applicable in accordance with the said decisions"

In pursuance to above, respective units as per list enclosed are requested to submit their response within 10 days from the date of issue of this notice.

Encl: As above.
